

Request for Tenders

Part 4 - Form C - Experience and Qualifications Requirements

RFT No. Doc4897137822, Contract No.: 25TW-CPI-02CWD

Part 4 - Form C - Experience and Qualifications Requirements

1. Experience Requirements

The Supplier must have the following experience in order to be considered for award of the Contract:

Must have completed a minimum of 12 Kilometers of CIPP lining projects in gravity sewer applications with similar requirements to those in this tender and must have achieved Substantial Completion within the meaning of the Construction Act for at least three (3) projects within the past five (5) years as the General Contractor, having a minimum dollar value of \$5 Million Canadian Dollars for each project (excluding taxes). The provided project experience must be corporate's project experience. These projects must be similar in scope, value and technical requirements as outlined in this tender and must have been completed on schedule.

In order to prove they have the required experience, Suppliers must complete and submit the Experience and Qualifications Form as contained herein, Tender Submission Package as part of their Tender submission and provide the following information:

- Project description and location;
- Scope of work including scheduled completion time, diameters lined, installed liner length, project value and contract number;
- Approval authority (i.e. Project Manager) contact along with telephone or e-mail information;
- Owner contact information;
- Consultant contact information (if applicable) and;
- List of Sub-Contractors for each project.

2. Project Experience / Comparable Projects

The Supplier must provide reference projects for the purpose of confirming the Supplier's experience and track record of success. The Supplier shall provide the requested references for clients who have obtained construction services similar to those required for the Project from the Supplier in the last five (5) years. Failure to provide verifiable experience shall result in the bid being declared non-compliant.

3. Qualification Requirements

Current Certificate of Recognition (COR™) or equivalent OHS Certification

Each Supplier shall acquire and upload a copy of a valid Certificate of Recognition (COR™) or Equivalent OHS Certification in the legal name of the Supplier or in the case of a joint Bid, for, and in the name of, each member of the Joint Bid Team.
